

2017 ANNUAL REPORT

Overview

It's an absolute pleasure to present this annual report to members, supporters and associates of Bonnet Bay FC. There is a difference at BBFC which more and more people are discovering. It is my goal that the club arrives at a point where every member truly values all these differences and becomes an advocate for the club and what it stands for – a club that gives which others readily give back to in return.

BBFC fielded the following teams in 2017.

MIXED MINIROOS

6Z	6F	6G	7D	7F	7H
W7B	W7D	8E	W8D	9D	9G
W9D	10D	10F	W11C		

MALE

Junior Boys

12C	13B	14B	21D
-----	-----	-----	-----

Mens Open

AL1	AL2	AL9	AL12	AL13	AL15
-----	-----	-----	------	------	------

Mens Over 35 & 45

35C	35D	45B	45C	45D
-----	-----	-----	-----	-----

FEMALE

Junior Girls

W12C	W16C	W16D	W18B
------	------	------	------

Womens Open

WSA	WSB	WSE
-----	-----	-----

Womens Over 30

W30B/1	W30B/2
--------	--------

At 540 our overall player numbers were down a little on the previous season although it is pleasing to report that our junior numbers were up a little and female representation remained high at just under 40%. We continue to punch above our weight at senior level being the only club to be represented in the top two grades of mens and womens football.

Our Mens Over 45C enjoyed a fantastic season to finish as undefeated minor premiers and premiers. They were closely followed by the Open Mens AL12 and Boys 13B teams who were both runners up after being first team through to the grand final. Our W12C and W16C went as far as the final while our 45B, 45C and WSA were semi-finalists.

*Old dogs – new tricks ...
Over 45C undefeated minor premiers & premiers*

Individual team reports are at the end of this report.

The following contributions were recognised at our annual presentations:

Best Performed Team – Over 45C – undefeated minor premiers and premiers

Most Improved Team – Boys 12C (BBFC and SSFA)

Best Womens Team – W16D

Encouragement Award – AL9

Clubperson of the Year – Patricia Huolohan (W30B/1, Secretary)

Senior Player of the Year – Brett White (45C, Player Development, Cambodia trip)

Under 21 Player of the Year – Ben Elliott (AL2)

Coach of the Year – Nigel Wax (13B)

30 Years Service – Greg Finlayson (35C)

20 Years Service – Callie Noakes (WSA), Paul Stebbing(45D), Sean Russell (AL12)

Significant Achievement – 1st Club Market Day (W30B/1)

Wooden Spoon – AL13 & WSB

The three essential traits of the most successful clubs are Community Integration, Innovation and Learning. Your Executive Committee and our growing group of volunteers has done an amazing job to continue developing the club towards a position that will see our exciting culture supported by a strong financial base that will ensure funds are available to continue the club's growth on every level.

2018 will see a new strip introduced across BBFC. On the back of strong support from old and new sponsors we have committed to a PUMA strip which will see our teams take the field in a kit more akin to the quality and presentation offered at semi-professional and professional level. The Executive Committee felt this was also a good opportunity to review the club's logo. Our new emblem comes with a story and the motto "Belong – Engage – Grow" which picks up on the essential traits referred to above. A short explanation follows:

The Bombers in formation on the emblem and playing shirt symbolises the club community and its individual teams and players “working together to reach mutual goals” on and off the field. Fighter bombers have been proven to perform better in battle when they fly in formation. The Bomber image used is based on the F111 which was the main Bomber used by the Royal Australian Air Force when Bonnet Bay FC was established in 1982. BBFC’s establishment date sits proudly at the bottom of the emblem and the soccer ball depicts our primary sport and focus. Our new club motto “Belong ... Engage ... Grow” sits under the Bombers as a constant reminder to all members that BBFC is a club where:

BELONG

All members feel welcome and feel they belong

ENGAGE

All members feel encouraged to engage with other members socially and as active contributors to the club

GROW

All members have the opportunity to grow to be the best that they can be at every level

A key element of our sponsorship program is the establishment of a business network where sponsors and club members can work together for mutual benefit. I would urge all members to make themselves aware of our sponsors and support these businesses where you can. Their support will enable us to accelerate implementation of our strategic plans with little, if any, increase in registration fees. In fact most of our registration fees have not increased for 5 years.

Community Integration

Engendering a spirit of working together for mutual benefit within the club and the broader community is a priority for BBFC. While we have always been an important part of the Bonnet Bay community, the opening of our new clubhouse in 2015 has enabled us to formalise many links.

BBFC creates many opportunities for members to interact. The catering service on match days improved further and is up there with the hospitality offered by any sports club in the shire. A huge thanks to all those members who ran a number of social events including Market Day, Golf Day, State of Origin Nights, Open Mic Night and Arcade Games Weekend as well as celebrations at the start and end of competition rounds and on grand final night. I’d encourage all members to engage in these activities whenever they can and take the opportunity to create greater levels of integration within every section of the club.

We have engaged with our community through:

- sponsorship of Bonnet Bay Public School
- creating the new position of Community Liaison Officer to manage connections with our local community
- providing old jerseys to kids as part of the annual BBFC trip to assist Transform Cambodia
- our under 10s and 12s playing Inaburra on a Friday Night for the Friendship Cup

- offering The Hangar as a home base for Sutherland/ Lakewood City Sister City Student Exchange Program
- hiring out The Hangar for a variety of functions
- establishing Tuesday morning bridge and Wednesday morning yoga at The Hangar
- continuing to make the services of our Club Chaplain available to members

BBFC values its relationships with external organisations such as Sutherland Shire Council, Sutherland Shire Football Association and its member clubs, Sutherland Shire Football Referees Association, Football NSW and Football Federation of Australia.

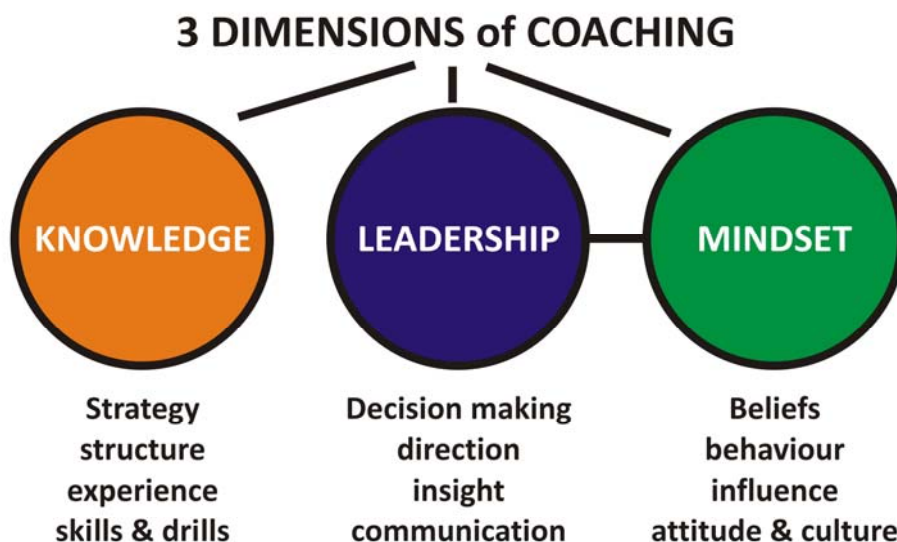

Innovation

BBFC is regarded as an innovator within Sutherland Shire sporting circles and beyond. 2017 again saw numerous examples of this with:

- BBFC being the first club to run an internal program for registered under 6 players where they did not need to travel around grounds every Saturday to play.
- Our new emblem and motto
- A high quality new strip fully funded by sponsors
- Our first ever Market Day at The Hangar
- The creation of the Business Network for our sponsors
- The standard of catering going from strength to strength

Learning - Player & Coach Development

With Brett White moving into the player/coach development role in 2017 we increased our focus on developing the best balance between the 3 dimensions of player, coach and club development (ie technical knowledge, leadership and mindset).

SSFA provided valuable input into technical development for our 6s to 11s and their coaches. A few of our coaches attended Coach Training conducted by SSFA. The club meets the costs of these courses for any coaches or intending coaches involved at BBFC. Plans to provide technical development support to players and coaches of our 12s to 16s fell short of the mark in 2017 but we are committed to filling this gap in 2018 and forging ahead with a greatly improved program.

Mindset Seminars were run for parents of 6s to 11s and then players and parents of the 12s to 16s. The second seminar was attended by over 70 people with general reports even months later that parents and players found it very useful.

A blog was established to provide coaches with resources and articles to assist in their development. There were numerous excellent articles published on the blog including a number of courtesy of John O'Sullivan, an expert in sports youth development based in the USA. Following contact made with John O'Sullivan BBFC arranged for him to visit Australia in February 2018 to conduct an exclusive seminar for BBFC members. It is pleasing to report that Football Australia and Football NSW has since picked up on this initiative and have arranged for John to conduct seminars in Sydney, Melbourne and Perth. The BBFC seminar is scheduled for The Hangar and will be free of charge for BBFC members. This is a unique opportunity that we would encourage all members to take advantage of.

A special thanks to all our coaches and managers who play such an important role in helping develop our players, teams and club.

Fields & Facilities

Lakewood received a face lift in the off-season and the playing surface stood up extremely well producing a general improvement in the standard of football. It was pleasing to be able to host grand finals for the first time in many years with the new field combined with the clubhouse being a winning combination.

With Lakewood coming on stream well after the season commenced Prince Edward Park took on extra training and games. Our Prince Edward Park work group ensured our second field was ready to take the extra load and the field remained in its best condition ever throughout the season. Our off-season maintenance programs commenced in September and will ensure both fields are even better for 2018. It was extremely pleasing to see members taking pride in the fields and helping us to nurse them along.

We continued to improve our clubhouse facility and services available to members. As well as being a fantastic social venue for our club events, it is particularly pleasing to see the increased usage by the general community who have hired the venue for a variety of uses including weddings, engagements, birthdays, yoga classes, cards, business seminars and much more. This usage provides an additional income stream for our club and enhances our already strong social connections which will ensure we remain an important part of our community for many years to come.

Referees and Respect

It is appropriate that we acknowledge of the referees who give up their time to ensure players can continue to enjoy the game. There is a general movement through refereeing circles world-wide to use word "RESPECT" to help players and supporters behave appropriately towards referees. While our club enjoys a good reputation when it comes to behaviour of our players and supporters it is important that we continue to remind one another of the need to respect all match officials especially when they make mistakes.

Thank you to all our MinRoos refs. These young kids did a great job and you could see them growing as the season went on.

Financial

It is very pleasing to report that the club increased revenues in almost every area this year. This enabled us to reduce our debts by over \$57,000. With only \$32,000 in loans remaining BBFC expects to be debt free by the start of the 2018 season. The audited Financial Statements have been circulated separately.

The Future

We have a tremendous amount to offer as a club but we are a little hamstrung by drawing upon a fairly small area with other clubs on our doorstep. For the club to continue offering opportunities for players to play in their preferred age group and grade we need all members to be active in helping to retain existing players and recruit new players. We need players (parents) to be flexible enough in their thinking to realise the need to move players between teams to ensure we can get everyone on the field and playing the level they deserve to be playing. This is important at every level but particularly in juniors where teams can easily disband if the players and parents do not work on them.

The Executive Committee has started to develop a strategic plan for the next 5 years. This will cover every aspect of the club and we welcome inputs from members on how we can improve fields, facilities, player development, sponsorship, club culture etc.

Thank You

It has been an honour for me and other members of the Executive Committee to serve Bonnet Bay FC over the past 12 months. Everything is place for the club to have a healthy future if the members continue to support and build on our initiatives.

Congratulations to all our players, coaches and managers who represent the club so well.

It is very pleasing to report an increase in volunteers within the club. Just as pleasing is the marked increase in sponsorship we have been able to attract from organisations that believe in the experience we are offering. Sponsorship is a fantastic way to help the club if you are time poor. Thank you to all those who have volunteered time or sponsored the club.

Thank you to the members of our very talented and dedicated Executive Committee who possess a broad skills base. Our committee is conscious of the need to ensure that capable successors are identified and developed to build on the strong platform we have created.

Help Us Keep The Grass Greener

If you like what we do please offer your help as a volunteer, recruiter, sponsor or donor. More help will ensure our grass is always greener than others.

GO THE BAY!!!

Peter Burgess
President
Bonnet Bay FC
